

VBCRC'S WEEKLY UPDATE

FOR THE WEEK OF MARCH 23

OPERATIONS

- Boom mowing continues on local roads in Geneva Township this week in preparation of the double chip seal projects.
- Gravel road grading started this week! All Townships will see at least a truck scraping or a grader, some Townships will have both. Gravel road maintenance is the primary focus of the week.
- Culvert replacements on 65th Street South of 16th Avenue in Geneva Township and on 16th Avenue East of 49th Street in Columbia Township will be completed this week.

ENGINEERING

- Bid packages and proposal requests for the 2026 construction season are beginning to hit our website! To check out the bid opportunities, please visit vbcr.org/bids.
- Project letters have been sent for tree work on CR 352 between CR 681 and Street in Keeler Township, on 73rd Street between M-43 and CR 388 in South Haven Township, and on Silver Saddle Road in Columbia Township. Residents who wish to keep the wood from their properties must fill out a Disposal Agreement. This can be found on our website at vbcr.org/rowmaintenance.

MISCELLANEOUS

- Seasonal Weight Restrictions, or Frost Laws, have been lifted on County roads in Van Buren County! For restrictions at the state level or other county restrictions, please visit micountyroads.org/business/seasonal-weight-restrictions/

NOTE: ALL operations are dependent on current weather conditions, equipment availability, and staffing and are subject to change. For detailed information regarding daily operations, please contact our office.
