

# VBCRC'S WEEKLY UPDATE

## FOR THE WEEK OF AUGUST 11

### OPERATIONS

- Sealcoat is wrapping up on county jurisdiction roads this week before starting on contracted sealcoat within villages. Locations are posted daily on our social media channels, as well as a live feed on the homepage of our website!
- Fog seal continues throughout the county. Locations are posted on our social media channels with our sealcoat operations. **New in 2025, roads will be closed to traffic for the duration of the fog seal emulsion drying. Local traffic should expect travel speeds to not exceed 5 MPH while the emulsion is wet.**
- The second round of roadside mowing continues in Paw Paw, Hartford, Bloomingdale, and Arlington Townships.
- VBCRC crews are completing storm clean ups county-wide.

### ENGINEERING

- Bridge preventative maintenance continues on the bridges within the Local Bridge Program bundle. These bridges are: 45th Street between 44th Avenue and 48th Avenue in Paw Paw Township, CR 665 between Fisk Lake Road and 44th Avenue in Waverly Township, and Baseline Road between 71.5 Street and 72nd Street in South Haven Township. The contractor is Nashville Construction Company.
- Red Arrow Highway between the City of Hartford and CR 681 in Hartford Township is complete!
- The painting contractor has started in Van Buren County on roads slated to receive lines this year, including roads that were repaved or received sealcoat and fog seal.

*NOTE: ALL operations are dependent on current weather conditions, equipment availability, and staffing and are subject to change. For detailed information regarding daily operations, please contact our office.*
