

PROJECT ALERT

STARTING THE WEEK OF APRIL 15

The Van Buren County Road Commission will be completing a project on 72nd Avenue from the Village of Lawton East to the dead-end in Antwerp Township. The project consists of tree trimming and removals, wedge paving to restore the crown and grade of the road followed by sealcoat and fog seal. This project will be completed as weather allows and minor delays are possible.

Any property owners that would like to keep the wood may contact our office. Trees to be removed will be marked with a dot and trees to be trimmed are marked with a 'T'.

Questions about this project may be directed to Dave Clift at 269-674-8011 ext. 230.

This project is funded by Antwerp Township. The paving portion of the project will be let for bid later this year.
