

VBCRC'S WEEKLY UPDATE

FOR THE WEEK OF JULY 31

OPERATIONS

- Sealcoat continues this week. Locations will be posted daily on our social media channels. For the full list of sealcoat roads, please visit vbcrc.org/sealcoat
- Patching continues county-wide.
- Pipe replacements and drainage improvements continue county-wide.
- Crews continue utilizing boom mowers to clear vision areas throughout the county.
- The second round of roadside mowing is scheduled to begin this week. For more information regarding mowing operations, visit our website at vbcrc.org/vegetationmaintenance
- Invasive species brush spray is scheduled to begin this month. The VBCRC partners with the Van Buren Conservation District to identify, target, and spray these invasive species.

NOTE: ALL operations are dependent on current weather conditions, equipment availability, and staffing and are subject to change. For detailed information regarding daily operations, please contact our office.

ENGINEERING

- 30th Street between CR 653 and M-43 in Alma Township continues this week with ditching and drainage improvements.
- 26th Street between 63rd Avenue and 66th Avenue in Antwerp Township will receive its sealcoat application this week with the fog seal application to occur later this month.
