

PROJECT ALERT

OCTOBER 27 - OCTOBER 31

The Van Buren County Road Commission will be completing a project on Cider Court in South Haven Township. The project consists of milling the existing surface down to gravel and placing 4 inches of new asphalt. Please ensure sprinklers are not directed into the roadway and all vehicles are parked out of the right of way to preserve the asphalt surface that will be placed.

This project will be completed as weather allows and minor delays are possible.

Questions about this project may be directed to Dave Mills at 269-674-8011 ext. 229.

This project is funded by South Haven Township Special Assessment. Michigan Paving and Materials Co. is the prime contractor completing the project.
