

PROJECT ALERT

BEGINNING MARCH 2024

The Van Buren County Road Commission will be removing trees along CR 388 from CR 653 S to the Kalamazoo County Line in Pine Grove Township. The full project will consist of crushing the existing asphalt surface, widening the road, and repaving. This project will be completed as weather allows.

Trees marked with a pink dot will be removed. Homeowners who wish to keep the wood from their property can call our main office.

Any questions about this project may be directed to Dave Clift at 269-674-8011 ext. 230.

This project is funded by the Van Buren County Road Commission, Pine Grove Township, and Van Buren County American Rescue Plan Act funds.
