

VBCRC'S WEEKLY UPDATE

FOR THE WEEK OF APRIL 3

OPERATIONS

- Patching continues countywide on both Primary and Local roads.
- Boom mowing continues on the Local road system this week in Pine Grove Township before moving to Decatur Township.
- Gravel roads are being graded in Arlington, Keeler, Paw Paw, Pine Grove, and Columbia Townships.
- Miscellaneous storm clean-ups continue countywide.
- Crews are repairing shoulder drops county-wide.

NOTE: ALL operations tasks are dependant on current weather conditions, equipment availability, and staffing and are subject to change. For detailed information regarding operations tasks, please contact our office.

ENGINEERING

- CR 388 between CR 653 S and 29th Street in Pine Grove Township continues with restoration.
- Work site clean-up continues on 30th Street between M-43 and CR 653 in Alma Township.
- CR 352 between CR 687 and 60th Street in Keeler Township will continue with road and drainage work this week.

MISCELLANEOUS

- Spring Road Tours have begun being scheduled for all Townships. Any Township wishing to schedule a time, please contact Alyssa McAndrew at alyssamcandrew@vbcrc.org or at 269-674-8011 ext. 249.
- The VBCRC issued a News Release regarding its mowing policy and imploring farmers to help protect roads by not sowing within the Right-of-Way. This News Release can viewed on our website at VBCRC.org/NewsReleases
