

# VBCRC'S WEEKLY UPDATE

## FOR THE WEEK OF OCTOBER 9

### OPERATIONS

- Fog seal continues to be the main focus of operations this week. Locations are posted daily on our social media sites.
- In the event of rain, VBCRC crews are working on the following:
  - Trimming on plow routes
  - Wing plow installations
  - Extra width mowing on primary roads in Lawrence Township
  - Checking gravel roads for washouts
  - Repairing reported washouts in Paw Paw, Antwerp, Bangor, and Hartford Townships

### MISCELLANEOUS

- The Township Annual Meeting is scheduled for October 17th at 6 PM and October 18th at 1 PM at the Lawrence Maintenance Facility. Please RSVP to Alyssa McAndrew with your chosen date.

### ENGINEERING

- 30th Street between CR 653 and M-43 in Almena Township is complete! Restoration work will begin this week and is expected to be completed as weather allows.
- 80th Avenue between M-40 and 29th Street in Porter Township is expecting to be paved this week as weather allows.
- CR 388 between 29th Street and CR 653 S in Pine Grove Township continues with trenching and widening. The scope of the project is a complete reconstruction.
- CR 689 between 8th Avenue and CR 388 in South Haven Township continues this week with crushing and shaping the existing surface. The scope of the project is a complete reconstruction.
- 16th Avenue between 62nd Street and 60th Street in Geneva Township continues this week with shoulder gravel.

*NOTE: ALL operations are dependent on current weather conditions, equipment availability, and staffing and are subject to change. For detailed information regarding daily operations, please contact our office.*
