

VAN BUREN COUNTY ROAD COMMISSION

[WEEK OF SEPTEMBER 19, 2022]

MAINTENANCE

Operations Update

- Fog seal operations are nearing completion. Daily updates are posted to our Facebook page: facebook.com/vbcrc. As a reminder to residents, please remember to drive slowly when crossing wet fog seal applications.
- Dust control applications are complete for the season! Graders will begin working across the county in October.
- Crosspipe patching will occur this week as weather and time allow.
- Ditching begins today in Geneva Township on 63rd Street by 16th Avenue.

ENGINEERING

Update

- The project on the CR 384 bridge over the Black River between 68th Street and M-43 in Geneva Township continues this week with maintenance and paving the bridge deck. The expected completion date for the project is October 1st, weather permitting.
- Red Arrow Highway between the Village of Lawrence and CR 681 in Lawrence Township begins this week with tree trimming and trenching. The full scope of the project consists of tree work, trenching, widening, milling, and paving.
- 67th Street between CR 380 and 16th Avenue will be milled and paved this week with shoulder work and restoration to follow.

PAVING ON 67TH STREET IN GENEVA TOWNSHIP
