

VBCRC'S WEEKLY UPDATE

FOR THE WEEK OF NOVEMBER 6

OPERATIONS

- Tree trimming on plow routes is scheduled to occur as weather allows. This trimming ensures visibility for motorists as well as allows drivers to learn their routes for the new season.
- Extra width mowing continues in Bloomingdale Township.
- Graders and trucks with carbide scraper blades will be out preparing gravel roads for winter!
- Crews will be out to repair potholes during dry weather. To report a pothole, please contact our office or report 24/7 at SeeClickFix.com/Van-Buren-County
- Two gradall crews will be running this week to complete ditching and tree projects before winter. This week's schedule includes drainage improvements and right-of-way clearing in Bangor and Covert Townships.

ENGINEERING

- CR 388 between 29th Street and CR 653 S in Pine Grove Township continues with grading and shaping this week. Paving is expected to occur this week, weather permitting. The scope of the project is a complete reconstruction.
- CR 689 between 8th Avenue and CR 388 in South Haven Township continues this week moving fire hydrants and with paving expected to occur next week, weather permitting. The scope of the project is a complete reconstruction.
- The pavement marking contractor is out placing pavement markings as weather allows.

SUNRISE OVER BLOOMINGDALE TOWNSHIP

NOTE: ALL operations are dependent on current weather conditions, equipment availability, and staffing and are subject to change. For detailed information regarding daily operations, please contact our office.
