

VBCRC'S WEEKLY UPDATE

FOR THE WEEK OF NOVEMBER 13

OPERATIONS

- Tree trimming on plow routes is scheduled to occur as staffing allows. This trimming ensures visibility for motorists as well as allows drivers to learn their routes for the new season.
- Extra width mowing continues in Waverly Township.
- Graders and trucks with carbide scraper blades will be out preparing gravel roads for winter! Crews are working in Paw Paw, Keeler, Arlington, Almena, Bangor, Waverly, and Hartford Townships this week.
- Crews are repairing shoulders in Porter, Geneva, and Bangor Townships.
- Two gradall crews will be running this week to complete ditching and tree projects before winter. This week's schedule includes drainage improvements and right-of-way clearing in Covert Township.

ENGINEERING

- CR 388 between 29th Street and CR 653 S in Pine Grove Township continues this week with paving! Pavement markings and restoration will follow the completion of paving, approaches, and driveways.
- CR 689 between 8th Avenue and CR 388 in South Haven Township continues this week with paving! The scope of the project is a complete reconstruction.
- The pavement marking contractor is out placing pavement markings as weather allows.

LAWRENCE GARAGE ROAD MAINTENANCE EMPLOYEES

NOTE: ALL operations are dependent on current weather conditions, equipment availability, and staffing and are subject to change. For detailed information regarding daily operations, please contact our office.
