

VBCRC'S WEEKLY UPDATE

FOR THE WEEK OF JULY 13

OPERATIONS

- Sealcoat has started! Crews are working in Lawrence, Hartford, Keeler, and Arlington Townships this week while working North/Northwest. Daily operations are posted on our social media channels, for the full list, please visit vbcrc.org/sealcoat.
- The second round of roadside mowing continues in Paw Paw, Bangor, and Keeler Townships.
- Contract gravel continues in Porter Township.
- Boom mowing continues on Hartford Township local roads.
- Crews are ditching on 65th Street in Geneva Township this week.
- Patching continues in preparation of sealcoat as well as patching a crosspipe replacement on 40th Street in Waverly Township.

ENGINEERING

- The CR 653 between Red Arrow Highway and 48th Avenue project in Antwerp Township continues this week with drainage improvements. The full scope of the project includes trenching, widening, drainage improvements, crushing the existing asphalt, and repaving the road. The detour for this project follows Red Arrow Highway and 30th Street.
- CR 352 from CR 681 to 60th Street in Keeler Township continues this week with drainage improvements and paving the base layer of asphalt.
- CR 687 between CR 372 and CR 378 in Bangor and Hartford Township bids were opened and a pre-construction meeting is to be scheduled to establish the project schedule.
- A reconstruction project on CR 380 between 76th Street and M-140 in South Haven Township is expected to begin next week. The full scope of the project includes trenching, widening, drainage improvements, crushing and repaving.

NOTE: ALL operations are dependent on current weather conditions, equipment availability, and staffing and are subject to change. For detailed information regarding daily operations, please contact our office.
