

- State trunklines (US, I, and M roads) fall under the jurisdiction of MDOT.
- Public roads within city or village limits fall under the jurisdiction of that city or village (with the exception of the US, I or M roads).
- Roads with the "CR" designation, Red Arrow Highway and Blue Star Highway out side of city or village limits fall under Road Commission jurisdiction in terms of maintenance and funding. **(These are also known as Primary Roads!)**
- Streets, avenues, other roads such as Old Swamp Road, and many subdivisions fall under the Road Commission's jurisdiction. The respective Townships assist in the funding of road projects. **(These are also known as Local Roads!)**
- County border roads (Baseline Road, Van Kal/22nd Street, County Line Road/70th Street, and 48th Avenue) change county jurisdiction from segment to segment. For any questions and requests on these roads, please contact us directly.
