

# VAN BUREN COUNTY ROAD COMMISSION

[ WEEK OF MAY 30, 2022 ]

## MAINTENANCE

### *Operations Update*

- Graders are out around the county! On the list this week are Keeler, Arlington, and Porter Townships.
- Crews are out patching in preparation of sealcoat and necessary pot hole patching in Keeler and Columbia Townships.
- Crews are planning and preparing for sealcoat season to begin in Mid-June. Daily updates will be posted to our Facebook page.
- Boom mowing continues in Hartford Township.
- Dust control has begun for Townships that signed up for 3 Applications with SWMI Dust Control. The contractor will be in Bloomingdale and Waverly Townships this week.
- Miscellaneous ditching and tree projects continue across the county as weather allows.

## ENGINEERING

### *Update*

- The project on CR 380 from the Columbia Township Line to CR 665 in Bloomingdale Township began May 18th with trenching and widening which was completed last week. The contractor has moved on to drainage improvements with a crush, shape, and base pave scheduled for Mid to Late-June.
- CR 374 from Red Arrow Highway to 45th Street in Lawrence and Paw Paw Townships will receive the gravel shoulders this week.
- Burgess Road from 38th Street to 82nd Avenue in Decatur Township is expected to be graded next week with the base pave to follow.
