

VBCRC'S WEEKLY UPDATE

FOR THE WEEK OF JANUARY 23

OPERATIONS

- Road crews are boom mowing on the Primary road system in Almena, Pine Grove, and Geneva Townships.
- Guardrail de-berming continues on Primary roads in Bloomingdale Township before moving to Pine Grove Township.
- Crews are patching potholes county-wide.
- Crews are cleaning spillways (areas created to allow water to run off the road) of debris and creating trenches to allow pooling water to drain.
- Crews are spot scraping and grading gravel roads in Columbia, Geneva, and Paw Paw Townships.
- Crews are addressing ice control and snow removal as necessary. For day-to-day updates on the VBCRC's winter operations plans, please visit our Facebook page at [Facebook.com/VBCRC](https://www.facebook.com/VBCRC)

ENGINEERING

- 66th Street between M-43 and CR 380 in Geneva Township will be closed beginning this week for a crosspipe replacement. The detour route follows CR 380, 67th Street, and M-43.

MISCELLANEOUS

- 2023 Road Planning Forms were due December 31st and have not yet been received by Lawrence and Porter Townships. If a new copy of the form is needed, please contact Alyssa McAndrew at 269-674-8011 ext. 249.
