

# VBCRC'S WEEKLY UPDATE

## FOR THE WEEK OF MARCH 13

### OPERATIONS

- Patching continues countywide on both Primary and Local roads.
- The tree crew is working storm clean-ups in Almena Township and will continue through the log county-wide.
- Boom mowing began on the local road system this week in Almena and Keeler Townships.
- Crews are removing wing plows from all trucks this week.

*NOTE: ALL operations tasks are dependant on current weather conditions, equipment availability, and staffing and are subject to change. For detailed information regarding operations tasks, please contact our office.*

### ENGINEERING

- Tree trimming and removals continue on CR 388 between CR 653 S and 29th Street in Pine Grove Township as weather allows.
- Tree trimming and removal on CR 689 between CR 388 and 8th Avenue in South Haven Township is complete and the road is back open.

### MISCELLANEOUS

- Spring Road Tours have begun being scheduled for all Townships. Any Township wishing to schedule a time, please contact Alyssa McAndrew at [alysamcandrew@vbcrc.org](mailto:alysamcandrew@vbcrc.org) or at 269-674-8011 ext. 249.
