

# VBCRC'S WEEKLY UPDATE

## FOR THE WEEK OF MARCH 20

### OPERATIONS

- Patching continues countywide on both Primary and Local roads.
- The tree crew is working on storm clean-ups in Keeler and Hamilton Townships and will continue moving North through the county.
- Boom mowing continues on the Local road system this week in Alma and Keeler Townships.
- Gravel roads are being graded in Porter, Keeler, Bangor, and Alma Townships before moving into Columbia Township.

*NOTE: ALL operations tasks are dependant on current weather conditions, equipment availability, and staffing and are subject to change. For detailed information regarding operations tasks, please contact our office.*

### ENGINEERING

- Stump removals continue on CR 388 between CR 653 S and 29th Street in Pine Grove Township as weather allows.
- Stump removals will begin this week on 30th Street between M-43 and CR 653 in Alma Township.

### MISCELLANEOUS

- Spring Road Tours have begun being scheduled for all Townships. Any Township wishing to schedule a time, please contact Alyssa McAndrew at [alyssamcandrew@vbcrc.org](mailto:alyssamcandrew@vbcrc.org) or at 269-674-8011 ext. 249.
- The VBCRC issued a News Release regarding its mowing policy and imploring farmers to help protect roads by not sowing within the Right-of-Way. This News Release can be viewed on our website at [VBCRC.org/NewsReleases](http://VBCRC.org/NewsReleases)
