RELEASE: Immediately

ROAD COMMISSION TO BEGIN ITS GUARDRAIL VEGETATION CONTROL PROGRAM

THE ROAD COMMISSION WANTS YOU TO KNOW . . .

The Van Buren County Road Commission will begin vegetation management activities at all roadside guardrail locations in Van Buren County on or after April 25, 2022. Approximately 125,000 linear feet of treatment will be applied to control and manage brush and grasses within the road right-of-way in front of, under, and directly behind all guardrail locations under Van Buren County's jurisdiction.

Licensed and experienced professionals from The Daltons, Inc. will apply the herbicides to vegetation that could create a driving hazard along the roadside at guardrail locations within the road right-of-way. Anyone with questions is urged to contact Brad Bolinger at The Daltons, 574-267-7511, email: angie@thedaltonsinc.com.
